

Reference list

2020-2025

In this document, we mention some of the projects we have completed.

Besides those walls, we have produced **many other** green walls for **private** clients and **hundreds** of *preserved moss and foliage artworks in frames, various big and small decorations for tables, vases, shelves, ceilings, walls, floors, bathrooms etc*

Each piece unique and with same high standard of craftsmanship and service.

*only some of those references are visible on our website in Reference section
